Description

This 2023 Ford Focus T ST Line presents an exceptional opportunity with its remarkably low mileage of just 9500 miles, a testament to its single owner history. This Euro 6 compliant model boasts a 1.0L petrol hybrid engine, offering an efficient and responsive driving experience. The ST Line trim enhances its sporty appeal, while notable features include front and rear parking sensors with parking assistance, full fixed LED headlights with LED daytime running lights, and the convenient Ford Key Free System for keyless entry and start.

Inside, you'll find the advanced Ford SYNC4 Navigation system complete with a generous 13.2 inch touchscreen, seamlessly integrating Android Auto and Apple CarPlay for your connectivity needs. Comfort is assured with DEATC dual zone electronic automatic temperature control, ensuring a pleasant cabin environment for all occupants. The Focus also offers substantial boot space, making it a practical choice for everyday use and longer journeys. These combined features and its excellent provenance clearly set this Ford Focus apart from other vehicles in its class.
